Sir:

Applicant requests consideration of ☒ the references listed on the attached Form PTO-1449 and/or ☐ the additional information identified below in paragraph 3.

This Information Disclosure Statement includes copies of the content of one or more Internet web pages. Applicant notes that it is generally more difficult to accurately establish the publication dates for web pages than for printed media such as books and journal articles. Even if a web page lists a date of publication, it is possible that a web page author may make changes to the web page and forget to correspondingly change the publication date. Thus, a web page may include content which was added after the indicated publication date.

☒ A copy of each required reference listed on the Form PTO-1449 is enclosed.
